# CASE STUDIES

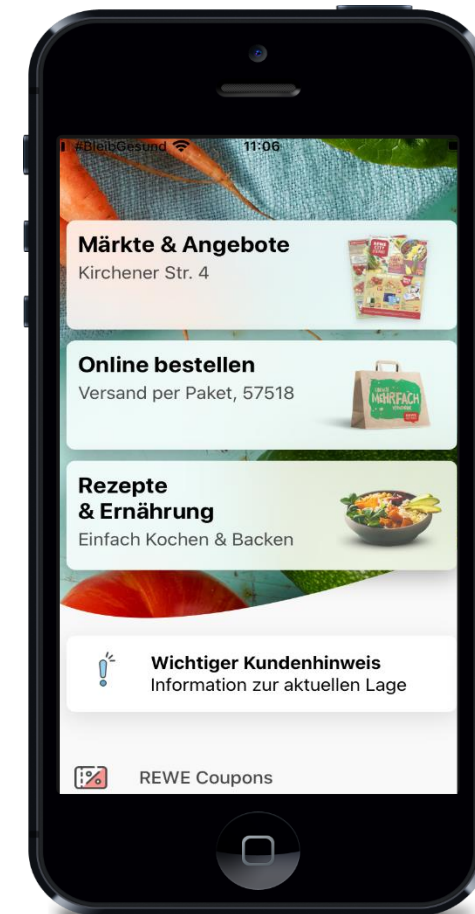

AMB SOFTWARE

AMB Software supports REWE Digital GmbH and its related companies since 2018 with dedicated Scrum Teams. Our Scrum Teams support the software development process and the development of innovations for the REWE marketplace.

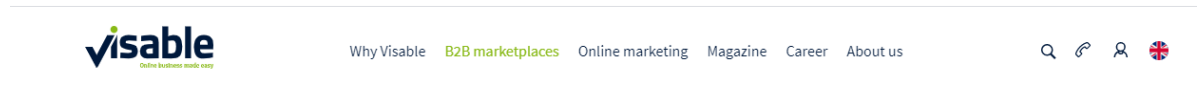

AMB SOFTWARE

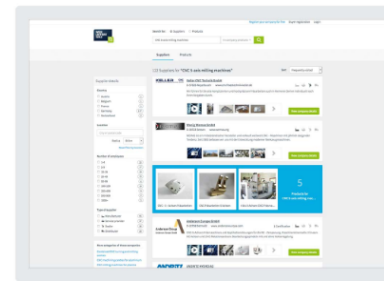

AMB Software supports “who delivers what”/visible (leading B2B marketplace DACH region) with a Scrum Team in the areas of software development, cloud strategy, IT consulting with a focus on the development of the user platform.

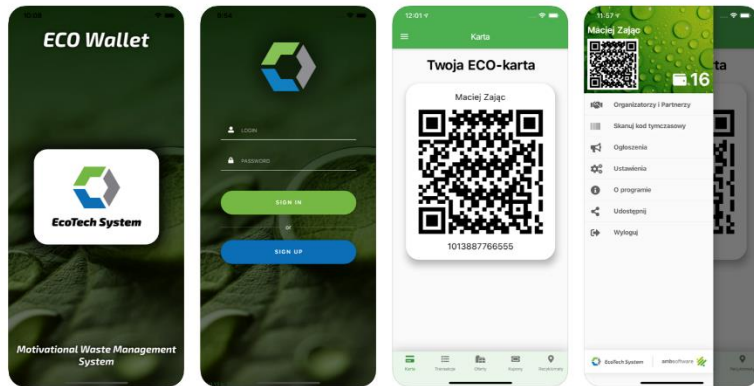

## Search and find with “Wer liefert was”

“Wer liefert was” is our answer to B2B enquiries in German-speaking countries – and the No. 1 research tool for professional buyers as well as professionals performing online research. That’s because we make things easy:

- ✓ **Free of charge for buyers**  
“Wer liefert was” doesn’t cost a cent for decision-making buyers doing research.
- ✓ **Supplier and product searches**  
An efficient tool – regardless of whether you are looking for a manufacturer or service provider or a certain product.
- ✓ **The most important information at a glance**  
All the information needed, such as an overview of offers (e.g. product details or catalogues), contact persons, certificates and regions of delivery can easily be found on the company profile.

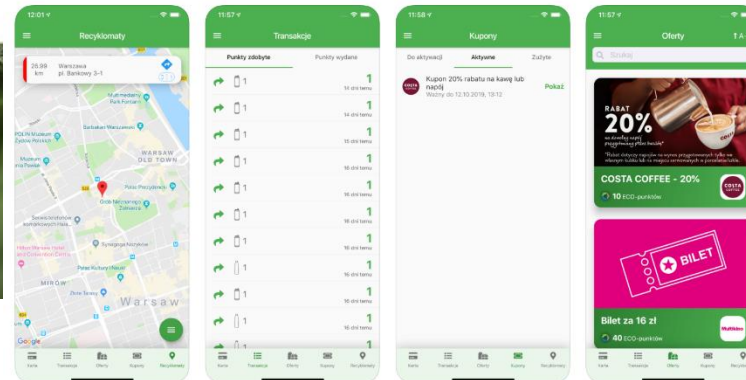

We exchange waste into  
rewards, discount and rebates

AMB SOFTWARE

Warsaw Case in co-operation with

### FACTS

- Project start in December 2019
- 10 Recycling Machines (RVMs) in Warsaw
- Collecting glass and plastic bottles and cans
- 20k downloads of the apps (iOS and Android)
- 200k collected items
- More than 10 tons of collected waste in 5 months

AMB SOFTWARE

- >>>> Used bottles/cans in exchange for Eco-points
- >>>> Eco-points in exchange for discounts on public transport, cinema tickets, coffee shops, etc.
